Staff Spotlight

Chelsea Cocks

This is my third year at WSS- working- but I've been a WSS parent for seven years.

My favorite thing about WSS is everything. I love all my WSS family and kiddos.

Thing I'm looking forward to for the summer is completing my classes and getting ready for student teaching in the fall. I'm not looking forward to leaving WSS.

My favorite guilty pleasure snack is anything dark chocolate or gummy.

Tina Stifel

This is my 8th year at WSS

My favorite thing about WSS is being valued.

Thing I'm looking forward to for the summer is more of a relaxed schedule and wrapping up this current year while preparing for the next.

My favorite guilty pleasure snack is homemade oatmeal raisin cookies with ice cream or apple crisp ala mode!
